## LETTER FROM THE BOARD

### **PROPOSALS FOR GRANTING THE GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES**

An ordinary resolution will be proposed to grant to the Directors a new general mandate to allot, issue or otherwise deal with additional Shares of not exceeding 20% of the total number of Shares in issue as at the date of passing of the resolution during the period from the close of the AGM up to (i) the conclusion of the next annual general meeting of the Company, or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the applicable laws or the Articles of Association to be held, or (iii) the date of revocation or variation of the said resolution by passing an ordinary resolution in general meeting prior to the next annual general meeting, whichever is the earliest. As at the Latest Practicable Date, there were in issue an aggregate of 260,000,000 Shares. Subject to the passing of the resolution and assuming that no further Shares are issued or repurchased prior to the AGM, no more than 52,000,000 Shares may be allotted and issued by the Company if the Share Issue Mandate is exercised in full.

At the AGM, an ordinary resolution will be proposed to grant to the Directors a new general mandate to repurchase the Shares up to 10% of the total number of Shares in issue as at the date of passing the resolution during the period from the close of the AGM up to (i) the conclusion of the next annual general meeting of the Company, or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the applicable laws or the Articles of Association to be held, or (iii) the date of revocation or variation of the said resolution by passing an ordinary resolution in general meeting prior to the next annual general meeting, whichever is the earliest. As at the Latest Practicable Date, there were in issue an aggregate of 260,000,000 Shares. Subject to the passing of the resolution and assuming that no further Shares are issued or repurchased prior to the AGM, no more than 26,000,000 Shares may be repurchased by the Company if the Share Repurchase Mandate is exercised in full.

Conditional on the passing of the resolutions to grant the Share Issue Mandate and the Share Repurchase Mandate, an ordinary resolution to authorise the Directors to exercise the powers of the Company to allot, issue, and deal with additional securities under the Share Issue Mandate by adding the number of those Shares repurchased by the Company pursuant to the Share Repurchase Mandate will be proposed at the AGM.

30 April 2025

*This Appendix serves as an explanatory statement, as required to be sent to all Shareholders under the Listing Rules, to provide the relevant information in connection with the Repurchase Mandate.*

## **1. SHAREHOLDERS' APPROVAL**

All proposed repurchase of shares by a company with its primary listing on the Stock Exchange must be approved in advance by way of an ordinary resolution, either of a specific approval of a particular transaction or of a general mandate to the Directors to make such repurchases.

## **2. TOTAL NUMBER OF SHARES IN ISSUE**

As at the Latest Practicable Date, the total number of Shares in issue was 260,000,000 Shares.

Subject to the passing of the ordinary resolution approving the Share Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged on the date of the AGM, the Directors will be authorised under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, an aggregate of not exceeding 26,000,000 Shares, representing 10% of the total number of Shares in issue as at the date of the AGM.

## **3. REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares on the Stock Exchange. An exercise of the Share Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per share and/or earnings per share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

## **4. SOURCE OF FUNDS**

Repurchases of Shares made pursuant to the Share Repurchase Mandate must be made out of funds legally available for such purpose in accordance with its Articles of Association, the Listing Rules, the applicable laws of the Cayman Islands and/or any other applicable laws, as the case may be. Pursuant to the Share Repurchase Mandate, repurchases will be made out of funds of the Company legally permitted to be utilised in this connection, including funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase. In the case of any premium payable on the repurchase, such payment will be made out of funds of the Company which would otherwise be available for dividend or distribution or out of the share premium account of the Company. The Company may not repurchase securities for a consideration other than cash or for settlement otherwise than in accordance with the trading rules prevailing from time to time.

## 5. IMPACT OF SHARE REPURCHASES

There might be an adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements for the year ended 31 December 2024) in the event the Share Repurchase Mandate is to be exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or the gearing position of the Company. The Directors would only exercise the power to repurchase in circumstances whether they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole.

## 6. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during the previous twelve months prior to the Latest Practicable Date were as follows:

September	0.245	0.245

March	0.400	0.245
April (up to the Latest Practicable Date)	0.350	0.248

## 7. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the Share Repurchase Mandate in accordance with the Articles of Association, the Listing Rules and the applicable laws, rules and regulations of the Cayman Islands from time to time in force.

**8. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS**

None of the Directors nor, to the best of their knowledge, having made all reasonable enquires, any of their close associates, has any present intention to sell any Shares to the Company or its subsidiaries in the event that the Share Repurchase Mandate is approved by the Shareholders.

No core connected person of the Company has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so in the event that the Company is authorised to make repurchases of the Shares.

**9. EFFECT OF THE TAKEOVERS CODE**

If as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code), could obtain or consolidate the control of the Company, and depending on the level of increase of the Shareholders' interests, may become obliged to make a mandatory general offer in accordance with Rules 26 and 32 of the Takeovers Code.

At present, so far as is known to the Directors, no Shareholder may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code in the event that the Directors exercise the power in full to repurchase the Shares pursuant to the Share Repurchase Mandate.

Currently, the Directors have no intention to exercise the powers of the Company to make any repurchases of the shares of the Company. In any event, the Directors do not intend to exercise the Share Repurchase Mandate to an extent which will trigger the mandatory offer requirement pursuant to the Takeovers Code or which will result in the amount of Shares held by the public being reduced to less than 25%, the minimum percentage for the Shares to be held by the public as prescribed by the Stock Exchange.

**10. SHARES REPURCHASED BY THE COMPANY**

The Company did not repurchase any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
